MR. JENKINS'S STRANGE DEATH. Thrown from a Buggy, But Dies from Heart Failure and Shock.

CREENVILLE, N. C., December 28. Special.)-Mr. J. C. C. Jenkins, a highlysteemed citizen of this county, met with sudden death this morning. He was coming to Greenville with two of his daughters, all riding in a buggy, when about one mile from town his horse took fright at a small hand-cart with which some colored children were playing in the road, and ran away. All the occupants

were thrown from the buggy, but apprently none were hurt. Mr. Jenkins stopped the horse and was adjust up the harness when a gentleman riding a short distance behind drove up. They began conversing about the accident, and Mr. Jenkins had just remarked, "We ought to feel thankful that all of us escaped without injury." when he fell backwards to the ground, clasping his hands over his heart. In a few minutes he expired. Mr. Jenkins was quite an old man, and was known to have been troubed for bome years with heart disease. Sunday-School Celebratio Sunday-School Celebrations.

The Christmas entertainment of the Seventh-Street Christian church Sunday school last night, consisting of recitations, music, tableaux, a Santa-Claus Bazaar, &c., proved a most enjoyable affair. The annual supper to the Calvary-Mission Sunday school by the congregation of St. John's church was given at Masson's Hall last night, and the children were rade extremely happy. Sergeant Howard, of the First Police District, is superintendent of the school, which is growing both in numbers and in usefulness.

The infant class of St. James Methodist Sunday school was entertained Wednesday afternoon by Mrs. Virgle Pleasants at the residence of her father, Mr. P. J. Crew, corner Franklin and Twenty-eighth streets.

NEW YORK STOCK MARKET. NEW YORK, December 28.—Business at the Stock Exchange was less active towas irregular, some stocks showing mode-rate gains, and others slight losses. Later, General Electric was put under the hammer and pounded down from 33\\(^4\). The general market, however, did not respond to this break, and, in fact, moved up ¼ to 1% per cent., Western Union, Lake Shore, Burlington and Quincy, and St. Paul leading the upward movement. Even General Electric rallied 2%, to 34%. The improvement was due to the fact that the unfavorable rumors concerning certain banks doing business for stock brokers and about a re-

ceivership for General Electric were not verified. The result brought out long stock, and the bears also put out fresh short lines. The latter made a series of attacks on the leading shares. Louisville and Nashville was taken in hand and forced down 4%, to 39%, notwith-standing efforts on the part of London to support the stock.
